

**MESSAGES OF OUR LADY OF THE ROSARY OF EL POZO**

**SABANA GRANDE, PUERTO RICO**

## **CONSECRATION TO MARY**

O Mother, Queen of our hearts, Our Lady of the Rosary, on this day I consecrate my life to you and promise to be an instrument of definition of the way towards your Beloved Son. I place before you my body, my energy, my soul, everything that I possess, that I may work my way towards a life of plenitude in your virtues and promulgate your name as Mother of the True Way to the Father.

### **BACKGROUND**

From April 23 to May 25, 1953, the Blessed Virgin appeared, daily, over a spring, to three humble children from Barrio Rincón in Sabana Grande, Puerto Rico. The children, Juan Ángel Collado and the sisters Isidra and Ramonita Belén, ages seven to nine, were students at a small rural school and at mealtime it was customary for the children to draw water from a nearby spring. On April 23, when Juan Ángel went to fetch water, he felt a profound silence and the Blessed Virgin appeared for the first time. She was standing on a cloud. She wore a white tunic with a belt and a brooch at the neck and a sky-blue mantle. In her hands she held a rosary, wore sandals and a crown of seven stars, like small suns, hovered over her head.

From the fifth day on, a crowd of people began to visit the place, teaching became impossible, and the children could not go to the spring. Thus, from that moment on, Our Lady began to walk from the spring to the school, where she assumed the role of teacher and educator. Through symbols, images, visions and experiences, she left the teachings for the creation of a new lineage of true Christians who would promulgate her as Mother of the True Way to the Father and Mother of the true Church.

During her visit, a great number of miracles and healings took place. Our Lady wanted to leave clear evidence of her presence, so that people would believe when the time came to reveal the seven messages she left to the child Juan, in 1953.

The Virgin of El Pozo foretold a great miracle that occurred on the last day of the apparition. Before the astonished eyes of over 100,000 pilgrims, the great miracle of the sun took place. An intense rain of many colors fell all over the place and instantly everything was dry. The sun danced and was filled with many colors, and in a moment, it became very large and seemed to come at great speed over the pilgrims who, on their knees, prayed fervently to God. Many miracles happened that day.

The apparition of the Blessed Virgin in Sabana Grande is a meditation of the Gospel and is framed within a profound symbolism. The first day, the spring water was filled with the 7 colors of the rainbow, symbol of alliance. The number 7, symbol of perfection and sacred number of the Church, is constant in the apparition: there are 7 stars in her crown, she wore 7 garments

and 7 are the messages that the Blessed Virgin left to be revealed publicly at the determined moment.

The seven stars in her crown symbolize the seven sacraments, and the big star in the center represents the Eucharist. Her blue mantle symbolizes the spiritual guidance and protection she offers to all her children, her white tunic is a sign of our apostolic mission, and the brooch symbolizes Mary's small reign over the apostles of these times. Her belt symbolizes our obedience to the true Church. The rosary symbolizes our life of prayer, and her sandals symbolize our pilgrimage to God, which consists in living a truly Christian life.

On the third day she descended from her cloud, symbolizing the Resurrection of Christ, and spoke for the first time to the children: *Do not be afraid. I am the Virgin of the Rosary.* Her 33-day visit symbolizes the thirty-three years of Jesus on Earth and the founding of His true Church. Her daily walk to school is symbolic of our pilgrimage to the Lord.

In the revealed messages, she promises us the graces necessary for salvation and asks for our immediate and sincere conversion. The Virgin of El Pozo, as the devout people call her, requested the daily prayer of the holy rosary for world peace and the conversion of sinners. There are innumerable miracles, healings, favors and conversions that Our Lady of the Rosary of El Pozo obtains daily for all those who, with faith, ask for her intercession before her Son Jesus.

In these difficult times, of great social, moral and, above all, spiritual deterioration, Our Lady of the Rosary of El Pozo calls us to wake up from indifference and put God as a priority of life to achieve the restoration of the way. She wants us to promptly return to fasting, prayer, penance, sacramental life, active and committed apostolate, and to live in her virtues which are seven: humility, generosity, chastity, patience, temperance, charity, and diligence. In short, she calls us to live a life of holiness, leaving the selfish self and doing God's will. Above all, she calls us to spread throughout the world the news of her Son that there is a supernatural and eternal life, which is neither an illusion nor ethereal, but is authentic and palpable. Only in this way will humanity have hope of attaining God's mercy, in these trying times.

**THE FIRST MESSAGE**  
**OUR LADY OF THE ROSARY OF EL POZO**

The following is the first message left by the Most Blessed Virgin Mary during her apparition at Barrio Rincón in Sabana Grande, Puerto Rico, on April 23, 1953. It was made known to the world on May 5, 1978, once her indications were fulfilled.

*Go out into the world, and when you are most deeply submerged in darkness, and after you have denied my name, there will come an envoy to remind you of the True Way. Satan will knock at your door, and you will drive him away in anger. This is the sign that the time has come to make the following promise known:*

*I promise to facilitate and/or provide the graces necessary for salvation, before death, to all who in moments of confusion and in definition of the way to my Most Beloved Son, promulgate my name as Mother of the True Way to the Father.*

*Mary*

**THE SECOND MESSAGE**  
**OUR LADY OF THE ROSARY OF EL POZO**

The following is the second message left by the Most Blessed Virgin Mary during her apparition at Barrio Rincón in Sabana Grande, Puerto Rico, on April 1953. It was made known to the world on February 13, 1984, once her indications were fulfilled.

*Moments will come when the spiritual and moral deterioration of the shepherds of my Son's flock will become public knowledge. The indifference of the children of God will not allow them to perceive the great danger that lurks. The pain in my heart will become more acute because these beloved children abandon me; this is the sign that the time has come to make the following message known:*

*Difficult and confusing those times will be. The spiritual growth of the children of God will become very difficult and other times will come when this growth seems almost impossible. New children, be vigilant, for indifference and confusion will reign on the way and throughout the world. Strange thoughts and new philosophies will obscure the true way. The teachings of my Most Beloved Son, the order established by the Father and the truth will be replaced by these new and strange beliefs.*

*The selfishness of the children of God will be the cause of conflicts and divisions which will further aggravate my pain. Recognize that the shepherds of the flock are also men; forgive their faults, help them, for they represent my Son. Remain steadfast in the True Way, in the Church of my Son, for the times of great trial are at hand; suffering will be necessary, prayer and sacrifice will be mandatory.*

*Protect yourselves under my mantle and live in my virtues. Plenitude is what I want, for this is what my Son has entrusted to me. Seven shall be the offspring, and seven shall be the swords; seven shall be the generations and then countless others. Two ways will open before these generations: destruction and construction; defeat and victory.*

*Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.*

*Mary*

**THE THIRD MESSAGE**  
**OUR LADY OF THE ROSARY OF EL POZO**

The following is the third message left by the Most Blessed Virgin Mary during her apparition at Barrio Rincón in Sabana Grande, Puerto Rico, on April 1953. It was made known to the world on April 26, 1987, once her indications were fulfilled.

*By that time, the Holy Father, true and beloved son, will have visited this land. They will be times of repression and persecution for those who promulgate my name as Mother of the True Way to the Father. In times of tribulation a great hope will arise. Thousands of my children will gather in a demonstration of true love and will unite their hearts to mine to beseech mercy from my Most Beloved Son. This is the sign that the time has come to make the following message known:*

*Humanity has plunged into profound indifference, it lacks faith, hope, and charity. Selfishness, pride, materialism, and murmuring corrupt the hearts of many. My children beware of selfishness; this demon has penetrated the souls of many men on the True Way.*

*Children, it is time, it is time for all men to unite in continuous prayer to beseech the mercy of my Son. It is necessary for the Holy Father to call upon priests, religious, bishops and chosen ones, together with all the children of the Church, to pray the rosary begging for the conversion of men. New children, my children, pray for the transformation of humanity, of those who are far from God and, most especially, for the leaders of the Church.*

*It is the hour for all to become the Voice of the Way; that through your mouths and your example the charity, the love of my Beloved Son may be spread. The Church must be open to all men on Earth, for my Son died on the cross for all sinners.*

*At eleven o'clock in the morning I visited you, for the first time, to make the call of the Hour. A great danger threatens humanity... New children be alert, Plenitude is what I want.*

*I promise my maternal protection, covering with my mantle and providing the necessary graces to all those who, in these difficult moments, pray five mysteries of the rosary every day. Protect yourselves under my mantle and live in my virtues. Plenitude is what I want because this is what my Son has entrusted to me. Plenitude and my promise; restoration of the way.*

Mary

**THE FOURTH MESSAGE**  
**OUR LADY OF THE ROSARY OF EL POZO**

The following is the fourth message left by the Most Blessed Virgin Mary during her apparition at Barrio Rincón in Sabana Grande, Puerto Rico, on April 1953. It was made known to the world on May 25, 1992, once her indications were fulfilled.

*Those will be difficult times, of great social and moral deterioration, but, above all, of spiritual deterioration. The selfishness of men will prevail. Those who have consecrated themselves to my Most Beloved Son Jesus, through my call to the promulgation of a new lineage of true Christians, will be persecuted. Some new children, consecrated to my small kingdom, will pierce my heart with the sword of betrayal and abandonment of their promise to Our Lord Jesus Christ. Even so, the message of restoration will be welcomed and promulgated beyond the sea, where I have set my right foot. In the times of greatest tribulation and persecution, I will send the Angel, who will show you the way once again. This is the sign that the time has come to make the following message known:*

*Thousands of souls are lost daily, dragged down by sin and infidelity to my Most Beloved Son. Social, moral, and spiritual deterioration overshadows the humanity that populates the Earth. The prophesied times have arrived, in which parents and children destroy each other. Humanity is submerged in a great crisis of faith that goes unnoticed. Most men do not keep their Christian commitments; motivated by selfishness and pride, they have fallen into the falsehood of appearances and the superficiality of human demands.*

*Some priests, ministers of my Son and shepherds of the flock, are irreverent in celebrating the Holy Sacraments; because of their infidelity to their consecrated life, their love of money, their longing for recognition and their unrestrained desire for pleasures, they become allies of the enemy. They are the cause of the loss of faith, they motivate disunity and engender antagonism and violence. These, if they do not repent and begin a life of penance, will lose their souls forever. I remind you, my children, that they have the task of representing my Son on Earth and, as Christians, you must love and help them. Offer your prayers and sacrifices for their conversion. I confirm to you that the Love and Mercy of my Son are great for those who make reparation. The elixir of my Son's Merciful Love covers and clothes those who are faithful, who fulfill their commitment.*

*It is the Hour when, by not responding to my warnings, the prophecies begin to be fulfilled. My children, my new children, protect yourselves under my mantle and live in my virtues. I warn you, that one day, the vault of heaven will dawn all orange; the cold will be intense and great tribulation and despair will come upon humanity; it will be as if hell had settled on Earth. Fathers, mothers, children, and all human beings will fight each other and will want to kill each other; they will hurt each other to death. Some men's skin will fall off and drip from their bones. Others will become monstrous, abominable beings and behave like demons. It will be the culmination of chaos and*

*despair; but it will not be the end of the world, for only my Father knows that; righteous and sinners will die. Many, who with sacrifice put God as their priority, will be left standing; then the Love of God above all things will be restored in the new community. This will come about because of men who, misusing their free will, engender all kinds of evil. I describe this to you, not so that you may fear, but so that you may realize the Mercy and the Great Love that my Beloved Son has for you. He waits and I call you to immediate and sincere conversion.*

*All that I warn you of can be avoided, and the crisis of faith will be ended, if all the chosen are converted and begin to live a life of intense prayer, dedicating themselves to penance, submitting to fasting and abstinence, practicing mortification of the senses and paying special attention to the participation in the Sacraments. These will be received with greater devotion and fervor, each according to his condition and direction, living in my virtues and observing the teachings of the Church of my Most Beloved Son Jesus.*

*At the request of my Son, I propose to you a plan of surrender and spiritual growth to attain, in this way, Plenitude. This consists in imitating my Beloved Son; in leading a disciplined life of prayer, beginning in the morning, at noon, in the evening and concluding the day with the prayer of the Holy Rosary; frequent fasting accompanied by abstinence on the sixth day, a day that men have turned into the day of sin; living a life of endless joy, provided by grace, in spite of the cross and suffering, and having an ample disposition to penance and sacrifice. To help my Son to alleviate the burden of the cross, I propose that you submit to self-discipline, becoming participants in the purification of mankind by the mortification of the senses. All this culminating in the joy of participating, intensely and intimately, in the Holy Eucharist. The fruit of this plan will be shared in the search for the conversion of others through a firm, constant and diligent apostolate.*

*My children, if you do all this that I recommend to you, then you will have accepted my invitation to be apostles of the times; thus, you will be participants of my brooch, of the new lineage. New children, you will be participants in the restoration towards the Seventh Purpose, the Plenitude of my Son, now and forever.*

*One last piece of advice, my children: the devil will try to destroy my work and my manifestation to the world. It will happen that there will be such a relaxation for the divine, that everywhere there will be talk of vain and superficial messages. There will be many alleged apparitions: some will be authentic, and others will be the work of the evil one who, with shrewdness and disguise of light, will envelop many. Some of these apparitions, which will not be manifestations of mine, will be supported by pastors and hierarchs of the Church of my Son Jesus. Others, where I am present, will be persecuted and repressed; but let this not be a cause of frustration and loss of faith, better so. Remain firm, then, in the Church of my Son, love her more intensely, love the shepherds and priests, strive to live a life of harmony and common union with the shepherds. This will be the sign that you are with me, are in me and belong to my Son Jesus, the Christ.*

*I give you a sign: wherever I am, I will ask for prayer; I will ask for penance, with special attention to fasting and I will ask for much sacrifice; above all, I will ask for a special love for my Greatest Star, my Son, the Eucharist.*

*I am the Great Angel, envoy of these times, the Virgin of Light, the Virgin Mary, the Spouse of God.*

*Plenitude and my promise; restoration of the way.*

*Plenitude and my promise; restoration of the way.*

*Plenitude and my promise; restoration of the way.*

*Plenitude and my promise; restoration of the way.*

*Plenitude and my promise; restoration of the way.*

*Plenitude and my promise; restoration of the way.*

*Plenitude and my promise; restoration of the way.*

*Mary*

**THE FIFTH MESSAGE (PARTIAL TEXT)**  
**OUR LADY OF THE ROSARY OF EL POZO**

The following are fragments of the fifth message that the Most Blessed Virgin Mary left during her apparition at Barrio Rincón in Sabana Grande, Puerto Rico, on April 23, 1953. The fifth message was partially revealed on July 29, 2000. The following fragments were made known to the world on October 28, 2007.

*Before the bleeding Heart of my Son, I, the Mother of God, ask you to pray much for the consecrated members who are no longer in the Mission. Their souls are in great danger. Their alliance with the enemy will bring great hardship to their souls and their loveless hearts.*

*Only the Father knows who will be condemned; but hell is full of men and women who had a commitment to my Son and did not fulfill it, because they failed God. In my waiting silence I weep for those who are not here.*

*"Some will be martyrs and shed their blood; but it is better to lose even the last drop than to lose the soul forever. Moreover, these will be the joy of the Eternal Kingdom and will be owners of the Sacred Staff. They will receive the graces that my Son has reserved for the martyrs."*

*"Warn those who are outside of my small kingdom. I call them with urgency, for the moments of judgment are approaching. There will be no excuses or mercy because everything has been given to them."*

*"When the Lord comes to judge them by fire, they will be the first to see the flames if they are found guilty of deserting without remedy."*

*Those who desert and join the enemy will be judged as soldiers of treason. Therefore, let us pray for them. "Better martyrs of blood than deserters without remedy." They lack love in their hearts and are full of hatred and revenge; this is why I cover my head with a black veil until their hearts soften and they retake the graces of forgiveness. Be steadfast soldiers, even if our hearts are bled dry by the hatred and lack of charity of those who have turned away.*

*My Son will provide the Light of my Beloved Spouse and I will make way to he who serves well, with fidelity, enthusiasm, sacrifice, dedication, and gives himself without reserve, keeping nothing for himself.*

*Forgive those who wound you and cause you to bleed, forgive them 70 times seven. Act as indicated in the prayer that my Son dedicates to the Father. Then you will be true Christians, children of the restoration, now and forever. Mary*

**THE SIXTH MESSAGE (PARTIAL TEXT)  
OUR LADY OF THE ROSARY OF EL POZO**

The following are fragments of the sixth message left by the Most Blessed Virgin Mary on her apparition at Barrio Rincón in Sabana Grande, Puerto Rico, on April 23, 1953. It was made known to the world on May 25, 2008, once her indications were fulfilled.

*...Humanity is submerged in the world of pleasure, in materialism, in vices, in comfort, and human beings have become dormant and do not visualize or feel the spiritual life. Even those who claim to be faithful followers of my Son Jesus have become filled with indifference and have lost faith. Humanism and worldly sentimentalism have replaced love for the supernatural and spiritual life. Hope has been lost in true life, eternal life...*

*...Spread throughout the world the news of my Son, a supernatural and eternal life exists. This is not an illusion nor is it ethereal; but it is authentic, palpable. Announce life after death as the birth to true life, where we no longer die, and God will provide us with everything without sufferings. In eternal life we will participate in the blessed and eternal grace of the Father, the Son, and the Holy Spirit; it will be eternal happiness...*

*...Strange beliefs and new philosophies, which depart from the truth of the Gospel, are spreading unchecked throughout the world, including in the hearts of many shepherds of my Son's Church. The dedication and diligence of the Holy Father, to emphasize and call to practice the true doctrine, will be help from Heaven... There should be a call to live a life of dedication and apostolic action of greater diligence.*

*...The insensitivity to the spiritual does not allow them to perceive the great dangers that humanity will face.... Great sufferings await the inhabitants of the Earth. Even if they have money and resources, they will lack water and food. The time will come when it seems that these shortages have been overcome, but then they will worsen, and thousands of human beings will die. Many will die from the shortcomings and others will die in struggles and wars, to obtain what will be more valuable than gold...*

*...Pray the holy rosary for world peace and for my Son to calm nature, for great disasters and calamities will befall the Earth and bring desolation. The Earth will become a difficult and dangerous place to live...*

*...Many diseases will arise, especially one disease will spread throughout the world and take many lives... The wind will blow from east to west, the sky will be reddish, and the clouds will not cover the sun. The cure will not work and only faith will heal...*

*...Because of the experiments and works with the cloning of human cells and genetic works, the human race will suffer changes that will lead to its deterioration...*

*...The moment of the great trial is approaching that will leave destruction and unrest everywhere. This will happen soon, more tomorrow than today. Do not let your candle burn out; see to it that its light illuminates your house. It will be as if hell itself has descended upon the Earth.*

*...Powerful nations will engage in combat, which will bring many misfortunes and suffering... They will be struggles between freedom and slavery, life and death, darkness and light... It will happen at the dawn of the day of truth and the siren that inebriates will sound. The flag will be left without a flagpole and the noise will deafen the blind...*

*...Something unforeseen and unexpected will come from above and will cause hardship and unrest... When it gets dark, the children will look at the sky and the rivers will sound like music. The musician will play the flute and will take with him some of the chosen ones and they will gather petals in the buds ...*

*...Security must be reinforced for the Holy Father; take care of the feast day that celebrates the coming of the Angel. Evil people, who go against the faith, plan darkness in the Church...*

*A great scientific discovery will bring abundance and tranquility for some time; but unrest will return, until all fully convert to the love of my Lord Jesus.*

*If the time should come when humanity takes incurable paths and behaviors and when children, adolescents and young people have already demonstrated that they do not love God, then every prophecy will be fulfilled in one day and the end will come by order of the Father, who can no longer stand the indifference and the path humanity has taken. Do not be surprised because you have had knowledge of what the Father will do because I have been warning you.*

*...I tell you this, not to frighten you, but so that, with your surrender to my Lord, it may be overcome. All this can be avoided, if humanity fills itself with faith and love for my Most Beloved Son, Jesus... Pray the holy rosary, spread devotion to the prayer of the holy rosary. Promulgate the continuous participation of the Holy Sacrament of the Altar, the Eucharist... If you respond to all that I have asked of you in my previous messages, and especially if you embrace the plan of surrender and spiritual growth proposed in my fourth message, I will be able to hold back the mighty hand of my Son.*

*...I call on you to turn away from hatreds, grudges, resentments, useless revenge, envy, and all selfishness. These are the cause of the struggles between peoples, between families and even between brothers. Enlighten your life with the seven stars of my crown...*

*Make the greatest of all the commandments a reality: You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind...*

*Humanity must place God above all things, not philosophically or superficially, but from the heart and with daily practice...*

*...Believe in the name of my Son Jesus and love one another, as He commanded us. For above all things love will conquer; the love that emanates from sacrifice and surrender will conquer; true love will conquer; that love that led our Lord Jesus to the resurrection, conquering death...*

*I offer you the seven stars of light as a refuge and I will shelter you under my mantle. I promise that, if you do everything requested by my Son Jesus and what is indicated in my messages, I will protect you from the evil one and from all evil; especially, I will help you to find eternal salvation, the one promised by my Son Jesus... Remember and fulfill the promises made to my Lord, for in this way, He will fulfill His promise of salvation in you...*

*...You, who inhabit my brooch will receive my protective shield. Faith, surrender, the life consecrated to promulgate my name, the apostolic search to find children and apostles for the restoration, will appease the fury of the enemy.*

*...When the wind blows furiously, I will be there with you to protect you; when the waters rise roaring, I will be there with you to protect you; when the fire ignites and is implacable, I will be there with you to protect you; when the earth shakes violently, I will be there with you to protect you. Fear not, for you have received into your home and your heart the elements, demonstrating your love for what has been created by the Eternal Father; for you have received into your home and your heart the Creator God, who is Triune, loving one God in His three Divine Persons: Father, Son, and Holy Spirit. The Triune God and His creation are the eternal Plenitude. If you are faithful to my Son and love us, He and I will always be with you...*

*...The day that I came to you, you heard: "Do not be afraid." Then, do not fear, for the multicolored rainbow will shine to the ends of the world, recalling the great promise of Heaven and Earth, yours, mine, and above all, that of my Lord of Heaven.*

*...I am the Most Pure of El Pozo, Our Lady of the Rosary, sent in these times by the Lord, my God, my Son Jesus...*

*Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.  
Plenitude and my promise; restoration of the way.*

## *Mary*

## **GLOSSARY**

The following notes are not part of the fourth message left by Our Lady of the Rosary of El Pozo. They were added subsequently by a study group, to facilitate a better understanding of the message.

1.     promise                    This refers to the promises of Baptism, consecration or any other promise or vow made to God. “A vow, that is, a deliberate and free promise made to God about a possible and better good, must be fulfilled by reason of the virtue of religion.” (Canon 1191).
  
2.     promulgation            To announce the Good News of Christ with the authority of those who listen to God's word and keep it.
  
3.     new community           Refers to that community where, in communion with the Mystical Body of Christ, His Church, men live committed to the service of God and their fellow creatures with Christ as model, according to the Gospel’s call to holiness.
  
4.     Plenitude                 Christ in the fullness of His Glory, as Head of His Mystical Body, and source of nourishment for all its members.
  
5.     restoration                Involves those who strive for the coming of the Kingdom of God on Earth, ordering the entire world to Christ to make God known, worshiped and served according to the divine plan, and for the glory of God the Father.
  
6.     the chosen                 This refers to those who have accepted Christ's message and live accordingly: all the baptized who are conscious of and faithful to their commitment as Christians.
  
7.     Seventh Goal              The goal or purpose of any Christian is to achieve holiness by imitating Christ. In the symbolic language of the Sacred Scriptures, seven means perfection. Throughout the apparition and messages of Our Lady of El Pozo, the number 7 is used again and again, since she calls us to perfection. The “Seventh Goal” of Our Lady is that the Kingdom of Christ may become a reality amongst us, who will then reach Plenitude in Him. (Col. 2, 9-10).
  
8.     new generation           Those who make up the new community: committed Christians living the Gospel of Jesus Christ.

## ***HAIL, HOLY QUEEN***

Hail, holy Queen, Mother of mercy, our life, our sweetness, and our hope. To you we cry, poor banished children of Eve; to you we send up our sighs, mourning and weeping in this valley of tears. Turn, then, most gracious advocate, your eyes of mercy toward us; and after this, our exile, show unto us the blessed fruit of your womb, Jesus. O clement, O loving, O sweet Virgin Mary. Pray for us, O Mother of God, that we may be made worthy of the promises of Christ. Amen.

## ***PRAYER TO THE MOST BLESSED VIRGIN MARY***

O Mother, Queen of our hearts, advocate of those without hope; Mother most pure and compassionate; Mother of the Divine Love and full of divine light, I place in your tender hands the request that I ask from you.

Have mercy on our miseries, our hearts, our tears, our afflictions and interior suffering. We come to you so that by means of Your Divine Son, Jesus Christ, our prayers may be answered. We promise that as our petitions are granted, we shall spread your glory and will promulgate your name as Mother, Queen of our hearts and Queen of the Universe.

We beg you to listen to us as we kneel daily before your altar where you daily grant us so many signs of your power and of your love, obtaining for us health of body and soul.

We shall never lose hope in you, oh Virgin, our Queen. Ask our Lord Jesus Christ to heal us, to forgive us and grant us perseverance to the end.

O Most Blessed Virgin Mary, Queen of our hearts, heal us; in you we trust.

O Most Blessed Virgin Mary, Queen of our hearts, guide us; in you we trust.

O Most Blessed Virgin Mary, Queen of our hearts, strengthen us; in you we trust.

## ***BLESSED BE YOUR PURITY***

Blessed be your purity and eternal may it be, for only God can delight in such precious beauty. To you, Celestial Princess, Most Blessed Virgin Mary, I offer you on this day my soul, my life, and my heart. Look upon me with compassion; do not forsake me, Blessed Mother. Grant me your blessings day and night, Most Blessed Virgin Mary, for I will receive them in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

**PLEA OF PROTECTION  
TO  
THE MOST PURE VIRGIN OF EL POZO**

Holy Mother of God, Most Pure Virgin of El Pozo, Our Lady of the Rosary, I take refuge in the light of your stars. Shelter me under your protective mantle and let the light that emanates from our Lord, your beloved Son Jesus, God of Light, always illuminate and protect me. Let not the candle of hope be extinguished, may it always illuminate my home. I promise to love God above all things and to be faithful to the love of loves, to Our Lord Jesus and to you, Most Pure Mother of El Pozo.

Because I hear the *"Do not be afraid"*, today I embrace your promise and I beseech you:

When the wind blows furiously, Most Pure of El Pozo, come to my aid, stay with me, and protect me.

When the waters rise roaring, Most Pure of El Pozo, come to my aid, stay with me, and protect me.

When the fire ignites and is implacable, Most Pure of El Pozo, come to my aid, stay with me, and protect me.

When the earth shakes violently, Most Pure of El Pozo, come to my aid, stay with me, and protect me.

I do not fear because I have received you into my home and my heart, thus demonstrating my love for what the Eternal Father has created. I do not fear because I have received into my home and my heart the Creator God who is Triune, loving one God in His three Divine Persons, Father, Son, and Holy Spirit. I firmly believe that the Triune God and His creation are the eternal Plenitude. Virgin of the Rosary, Most Pure of El Pozo, I want to be faithful to your Son and love you both forever.

Most Holy Mother, I trust that you and Jesus will always be with me and will protect me, delivering me from the evil one and from all evil. I also trust that you will help me and plead with your Beloved Son so that, when God wills it, I may be born to eternal life and see the light of happiness forever. In the name of the Father and of the Son and of the Holy Spirit. Amen.
